

Supporting you and your patients throughout their SteQeyma treatment journey

There are 3 options to enroll in the Celltrion CONNECT[®] program:

Option 1: Online Portal

- Visit the Celltrion Connect website: **CelltrionConnect.com/SteQeyma**
- Set up an account for your office*
- Enter the Provider Portal to complete and submit the enrollment form online

Option 2: Enrollment Form

- Visit the Celltrion Connect website: **CelltrionConnect.com/SteQeyma**
- Download and complete the enrollment form and then fax to **833-912-3707**

Option 3: ePrescription

- In your EMR, select **Phyz** via the pharmacy drop-down menu (NCPDP: 5928809)
- Search for **SteQeyma** and provide the required information
- Track the status and manage refills in the healthcare provider portal

*This is a simple two-part step of enrolling your practice, receiving validation approval within 24 hours, and then enrolling the prescribers affiliated with your office.

Send supporting documentation through your EMR or by fax to 833-912-3707:

- Clinical notes
- Previous therapies
- Insurance information
- ICD-10 code for an approved indication (this can also be provided in the ePrescription Notes section)

CelltrionConnect.com/SteQeyma
to enroll your patient today!

Call Celltrion CONNECT at
877-812-6662 for additional
information on ePrescribing

Once your patient is enrolled, Celltrion CONNECT will:

Verify Insurance Coverage

- Confirm coverage for SteQeyma

Assist with Prior Authorization (PA) and Appeals Support

- Help you determine your patient's plan-specific requirements and submission protocols
- When submitting a PA, collect the information below along with other plan requirements necessary to obtain a PA decision:
 - ✓ Patient diagnosis (ICD-10-CM) code
 - ✓ Previously used therapies

ACCESS SOLUTIONS FOR PATIENTS & PRACTICES

Celltrion provides a dedicated field reimbursement manager who can support your office and answer questions **877-812-6662**

Please see full Prescribing Information by scanning the QR code on the reverse.

The Celltrion CONNECT[®] Case Coordinator will:

Determine Eligibility for Financial Assistance

Commercially insured patients may be eligible to receive assistance through the Celltrion CARES[®] Co-pay Assistance Program

- Learn more and view complete program rules at CelltrionCARES.com
- The Patient Assistance Program may provide product at no cost to eligible uninsured patients. Eligibility criteria and terms and conditions apply

Connect Your Patients to Nursing Support

The Celltrion CONNECT Case Coordinator can pair your patient with a dedicated Nurse Connector[™], who will assist them in adhering to their prescribed treatment regimen

- Nurse Connectors can help provide patients with*:
 - ✓ Education on SteQeyma and their diagnosis
 - ✓ Supplemental training on the use of their injection device
 - ✓ Tools and resources to monitor injection site rotation and maintain their dosing schedule

Celltrion CONNECT provides sharps containers to patients so they can safely dispose of needles. Visit CelltrionConnect.com/SteQeyma to request a container for your patient.

You are encouraged to report negative side effects of prescription drugs to the FDA.

Visit www.fda.gov/medwatch or call 1-800-FDA-1088.
