

Supporting you and your patients throughout the AVTOZMA treatment journey

There are 3 options to enroll in the Celltrion CONNECT[®] program:

Option 1: Online Portal

- Visit the Celltrion CONNECT website: **CelltrionConnect.com/AVTOZMA**
- Set up an account for your office*
- Enter the Provider Portal to complete and submit the Enrollment Form online

Option 2: Enrollment Form

- Visit the Celltrion CONNECT website: **CelltrionConnect.com/AVTOZMA**
- Download and complete the Enrollment Form, and then fax to **1-833-912-3707**

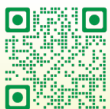

Option 3: ePrescription

- In your EMR, select **Phyz** via the pharmacy drop-down menu (NCPDP: 5928809)
- Search for **AVTOZMA** and provide the required information
- Track the status and manage refills in the Provider Portal

*This is a simple 2-part step of enrolling your practice, receiving validation approval within 24 hours, and then enrolling the prescribers affiliated with your office.

Send supporting documentation through your EMR or by fax to 1-833-912-3707:

- Clinical notes
- Previous therapies
- Insurance information
- ICD-10 code for an approved indication (this can also be provided in the ePrescription Notes section)

information on ePrescribing

Determine Eligibility for Financial Assistance

Commercially insured patients may be eligible to receive assistance through the Celltrion CARES[®] Co-pay Assistance Program

- Available to eligible commercially insured patients, regardless of income
- Learn more and view complete program rules at **CelltrionCARES.com**
- Program limits and annual maximums apply

*Please see full terms and conditions for Celltrion CARES at
<https://www.celltrionconnect.com/healthcare-provider/avtozma/terms-and-conditions>.

Please see full **Prescribing Information**, including **BOXED WARNING**, by scanning the QR code on the reverse.

Once your patient is enrolled, Celltrion CONNECT will:

Verify Insurance Coverage

- Confirm how AVTOZMA will be covered under your patient's health plan
- Additional coverage information to facilitate your patient's access

Assist With Prior Authorization (PA) and Appeals Support

- Help you determine your patient's plan-specific requirements and submission protocols
- When submitting a PA, collect the information below along with other plan requirements necessary to obtain a PA decision:
 - ✓ Patient diagnosis (ICD-10 code)
 - ✓ Previously used therapies

AVTOZMA Patient Assistance Program

- The Patient Assistance Program (PAP) may provide product at no cost to eligible uninsured patients. Eligibility criteria and terms and conditions apply
- If you order AVTOZMA through the Celltrion CONNECT PAP or a specialty pharmacy, you should not seek reimbursement for the product; however, your patient's health plan may still require that you include the J-code on the claim with a zero or nominal charge in order for them to reimburse the drug administration procedure

ACCESS SOLUTIONS FOR PATIENTS & PRACTICES

Celltrion provides a dedicated field reimbursement manager who can support your office and answer questions: **1-877-812-6662**

You are encouraged to report negative side effects of prescription drugs to the FDA. Visit www.fda.gov/medwatch or call 1-800-FDA-1088.
