

Supporting you and your patients throughout the OMLYCLO[®] treatment journey

There are 3 options to enroll in the Celltrion CONNECT[®] program:

Option 1: Online Portal

- Visit the Celltrion CONNECT website: **CelltrionConnect.com/OMLYCLO**
- Set up an account for your office*
- Enter the Provider Portal to complete and submit the Enrollment Form online

Option 2: Enrollment Form

- Visit the Celltrion CONNECT website: **CelltrionConnect.com/OMLYCLO**
- Download and complete the Enrollment Form, and then fax to **1-877-431-6444**

Option 3: ePrescription

- In your EMR, select **Phyz** via the pharmacy drop-down menu (NCPDP: 5928809)
 - Search for **OMLYCLO** and provide the required information
 - Track the status and manage refills in the Provider Portal
- Call Celltrion CONNECT at **1-877-812-6662** for additional information on ePrescribing

*This is a simple 2-part step of enrolling your practice, receiving validation approval within 24 hours, and then enrolling the prescribers affiliated with your office.

Send supporting documentation through your EMR or by fax to 1-877-431-6444:

- Clinical notes
- Previous therapies
- Insurance information
- ICD-10 code for an approved indication (this can also be provided in the ePrescription Notes section)

Your patient must opt into the program.

Have your patient scan the QR code or visit **CelltrionConnect.com/OMLYCLO** to complete their enrollment and sign the eHIPAA form today!

You can also provide patients with the OMLYCLO patient information sheet, which includes enrollment instructions and a QR code.

Determine Eligibility for Financial Assistance

Commercially insured patients may be eligible to receive assistance through the Celltrion CARES[®] Co-pay Assistance Program

- Available to eligible commercially insured patients, regardless of income
- Learn more and view complete program rules at **CelltrionCARES.com**
- Program limits and annual maximums apply

[†]Please see full terms and conditions for Celltrion CARES at <https://www.celltrionconnect.com/healthcare-provider/OMLYCLO/terms-and-conditions>.

The OMLYCLO co-pay card can be used for both medical and pharmacy claims. Eligible patients may also receive up to \$1,500 per benefit year to help cover out-of-pocket costs for in-office injections.

For medical claims, fax a copy of the copay card, CMS-1500 form, and the Explanation of Benefits (EOB) to 1-877-431-6444.

Please see full [Prescribing Information](#) by scanning the QR code on the reverse.

Once your patient is enrolled, Celltrion CONNECT will:

Verify Insurance Coverage

- Confirm how OMLYCLO will be covered under your patient's health plan
- Additional coverage information to facilitate your patient's access

Assist With Prior Authorization (PA) and Appeals Support

- Help you determine your patient's plan-specific requirements and submission protocols
- When submitting a PA, collect the information below along with other plan requirements necessary to obtain a PA decision:
 - ✓ Patient diagnosis (ICD-10 code)
 - ✓ Previously used therapies

Determine Financial Support

- Eligible patients may be able to receive OMLYCLO for \$0 per dose. See previous page for details
- The Patient Assistance Program (PAP) may provide product at no cost to eligible uninsured patients. Eligibility criteria and terms and conditions apply. The PAP Form can be downloaded from the Forms and Resources page of the OMLYCLO HCP website

ACCESS SOLUTIONS FOR PATIENTS & PRACTICES

Celltrion provides a dedicated field reimbursement manager who can support your office and answer questions

Your FRM Can Streamline Celltrion Patient Access by Providing:

- HIPAA-compliant support for the procurement of Celltrion products
- Education on billing, coding, payer coverage, and reimbursement
- An overview of support services and programs available to you and your patients who meet the financial criteria for program eligibility

Call Celltrion CONNECT at:
1-877-812-6662
to get in touch with your FRM.

For patients who may self-inject at home

Connect Your Patients to Nursing Support*

The Celltrion CONNECT Case Coordinator can pair your patient with a dedicated Nurse Connector™, who will assist them in adhering to their prescribed treatment regimen

- ✓ Education on OMLYCLO and their diagnosis
- ✓ Supplemental training on the use of their injection device
- ✓ Tools and resources to monitor injection site rotation and maintain their dosing schedule

Celltrion CONNECT also provides sharps containers to safely dispose of needles. Patients can request one by visiting
www.CelltrionConnect.com.

You are encouraged to report negative side effects of prescription drugs to the FDA. Visit www.fda.gov/medwatch or call 1-800-FDA-1088.

Please see full [Prescribing Information](#) by scanning the QR code.

EMR, electronic medical record; FDA, US Food and Drug Administration; ICD-10, International Classification of Diseases, 10th Revision; NCPDP, National Council for Prescription Drug Programs.

Participation in the Nurse Connector program is voluntary. Patients can opt out of this service at any time. Nurse Connectors will not offer medical advice and will always refer the patient back to the prescriber for any questions specific to their treatment.
